BALTIMORE, MD - The U.S. Marine Corps Recruiting Station Baltimore is proud to announce that Woodlawn High School in Baltimore will host the U.S. Marine Corps Passing League – Maryland on Saturday, July 23. The seven-on-seven tournament will feature teams from throughout Maryland. The U.S. Marine Corps' title partnership of the passing league ensures that teams will not be charged to participate.

The single-day event will feature a minimum of 16 teams, with each team guaranteed to play a minimum of four games. Each team will play three games in pool play to determine the seeding for the 16-team single-elimination tournament.

The U.S. Marine Corps Passing League - Maryland is a traditional seven-on-seven non-contact passing league played on a shortened field with only passing plays from the line of scrimmage. The games feature quarterbacks, wide receivers, running backs, and defensive backs, giving these skill players an opportunity to sharpen their skills in a fun, competitive atmosphere.

Although the league is restricted to those student-athletes who are enrolled in high school, the participating teams of the U.S. Marine Corps Passing League – Maryland are not associated with or representative of any high school football program. Instead, each team represents communities throughout the state. Although Woodlawn High School is hosting the event, the U.S. Marine Corps Passing League – Maryland is not sponsored, endorsed, or supported by Woodlawn High School or the Baltimore County Public Schools.

Woodlawn High School is located one half mile east of exit 17 (Security Blvd.) off the Baltimore Beltway I-695 at 1801 Woodlawn Drive.
