

Overview

"The Sports Flash" Radio Network driven by JEEP delivers customized, local sports reports to 505 network affiliates across the country, reaching more than 8.3-million listeners each week.

Effective

Our award-winning sports broadcasters deliver updates that wrap your advertising message around content that the listener wants to hear, cutting through the clutter, and ensuring a greater impact for your advertising message.

Consistent

Each year, we deliver more than 390,000 "Sports Flash" updates to our network affiliates around the country and we'll include your message in every single one of them.

Affordable Billboards

As our title sponsor, we will brand each of our updates with your advertising message.

Flexible

The advertising message can be changed daily, weekly, or monthly. Target your advertising message station-by-station to micro-target our audience.

Commercials

In addition to branding each update with your message, you will receive two, 30-second commercials each week on each station.

Investment

For a \$195,000 annual investment, you will own a piece of valuable radio "real estate" on 505 stations across the country.
