BALTIMORE, MD - The U.S. Marine Corps Recruiting Station Baltimore is proud to announce the launch of the U.S. Marine Corps Passing League - Maryland, a seven-on-seven high school football passing league that will begin in the late spring/early summer of 2011. The U.S. Marine Corps Passing League – Maryland will consist of teams from RS Baltimore's recruiting territory in the state of Maryland.

The U.S. Marine Corps Passing League will be a single-day 16-team passing tournament at a site to be determined. Unlike other passing league tournaments, thanks to the Marine Corps partnership, the event will be FREE for all of the participating teams. Each team is guaranteed to play four games, with three games in pool play and one game in the single-elimination championship round.

The U.S. Marine Corps Passing League – Maryland is a traditional seven-on-seven non-contact passing league played on a shortened field with only passing plays from the line of scrimmage. The games feature quarterbacks, wide receivers, running backs, and defensive backs, giving them an opportunity to sharpen their skills in a fun, competitive atmosphere.

"The Sports Flash" (TSF) Radio Network will manage the U.S. Marine Corps Passing League. In 2010, TSF Radio Network launched the Pennsylvania Passing League, which featured 32 teams playing in two divisions with more than 600 student-athletes participating. The National Football League's Pittsburgh Steelers invited the Pennsylvania Passing League's division winners to play an exhibition at halftime of their 2010 preseason opener at Heinz Field. The 2011 Pennsylvania Passing League begins on June 11 with the PPL West Division at Gateway High School, outside of Pittsburgh. The PPL East Division will be played on June 25 at Susquehanna Township High School, outside of Harrisburg. In 2011, TSF Radio Network also launched the Palmetto Passing League in South Carolina, featuring high school teams from the Florence/Myrtle Beach markets.

"The Sports Flash" Radio Network provides 190 radio stations in 13 states with customized, local sports reports, reaching 2.5-million listeners each week. TSF Radio Network drafted a letter introducing the U.S. Marine Corps – Passing League Maryland to high schools throughout the RS Baltimore's recruiting territory. After a team committed to playing in the event, TSF Radio Network sent along a letter that thanked them for their participation in the event and provided them with additional information about the event.

July 12, 2011

I want to thank you for your participation in the U.S. Marine Corps Passing League – Maryland (USMC-PLM). The event is scheduled for Saturday, July 23 at Woodlawn High School. At this time, we're scheduling the coaches meeting to begin at 8:10 AM at the 50-yard-line with the first game of the day beginning at 8:30 AM. I have enclosed release forms for each of your participating student-athletes, a team information form, and an abridged version of the USMC-PLM rules and penalties.

I have enclosed 15 release forms for your student-athletes. The student-athlete needs to fill out the form completely, and we need the signature of each participant's parent or guardian. If you need more than 15 release forms, please make a copy of one of the enclosed release forms, or download a release form from the PPL web site, which you can access by visiting www.TheSportsFlash.com.

We must have a signed participant release from every student-athlete competing in the event, or they will not be allowed to compete. The release forms can be turned in when your team checks in on the day of the event, or you can send them to us via e-mail, fax, or regular mail.

To remain in compliance with Maryland Public Secondary Schools Athletic Association rules, we will assign you with a team name and provide you with a USMC-PLM tee-shirt for your players to wear during competition. Please have your players wear a white or gray shirt that day, so we'll have an "alternate" shirt should you get matched up with a team that has the same shirt color as your team.

The tee-shirts will be distributed the day of the event. Each team will receive 15 tee-shirts for the event, so we're restricting the rosters to 15 players. If you'd like to bring more than 15 players, that's fine. Please be advised that we'll need to purchase a tee-shirt for them or share the shirts during the event. We will offer additional tee-shirts at cost, which should not be more than \$10 each, but they'll need to be purchased before the event. I will send along an order form and a deadline for pre-tournament purchase before the end of June.

If you have any questions, please feel free to contact me at your convenience. I'm available at (517) 927-4570 or by e-mail at TheSportsFlash@aol.com or mike@TheSportsFlash.com. Woodlawn's DaVaughn Mellerson is serving as our tournament coordinator and is available at (443) 850-5251 or via e-mail at d.mellerson@live.com.

Thanks for your participation,

Mike Sinnott
