

Safety Patrol

Always a popular group, Safety Patrol is led by Mr. Mowry and funded by OEF. The 4th grade students continue learning how to be good role models for younger grades by assisting students and staff before and after school. Their duties include: putting up and taking down the flags each day, monitoring hallway and outdoor activity, and helping those who ride the bus. Younger students are often invited to lend a hand as a "Jr. Safety" and accompany the 4th graders on the job. Thanks, Mr. Mowry for leading the troops and for the hot cocoa on those cold winter mornings! Thanks, OEF for your continued support, and Safety Patrol -- you rocked this year! It was one of the toughest winters Michigan has seen in years, but you bundled up and braved the outdoors like champs! Great job!
